California State Parks requested services for design of a new lifeguard headquarters / interpretive center, a new maintenance shop building and yard, central storage building, 4 concession buildings, 12 comfort stations, 2 contact stations and shade structures and plazas along the 3 mile long, multi-use trail for the State Beach park and campground at Bolsa Chica State Beach. RNT provided design, construction documentation, permitting and construction administration services. The site is approximately 3 miles long by an average of 300 feet wide and has a total area of approximately 85 acres.

Location: Huntington Beach, California

Completion Date: September 2002

Budget: \$12.2 million
